He has a strong background in the automotive industry and a proven track record in leading large scale operations.

Autore

MCM is led by an Italian Design Team who have years of experience in the craft of building motorboat hulls and it is their passion, knowledge and skill that produce boats of such quality and beauty. MCM takes pride in themselves in preserving traditional boat techniques used by Italian artisans to create a boat that has the performance and characteristics of a motor fiberglass or composite motor boat. We believe our customers are those who seek for individuality and quality and with this in mind we strive to achieve excellence in every model.

Autore

Chairman's Message

Marco Carlo Marini, MCM, is Dubai based luxury manufacturer producing high quality, hand made, mahogany speedboats. MCM is led by Mr Gaetano Aulino, an Italian national who brought his knowledge, skills and passion for the sea to create a traditional, stylish boat blended with state of the art technology. Mr Aulino for many years was the involved in boat supply and hardware boat building. He identified a niche in the market for specialized, hand crafted speedboats and hence began his journey to realize the art of designing and creating with wood boats made with passion.
